I also thank the Museum of Byzantine Culture from Thessaloniki for the permission to reproduce on the cover of this book the early Byzantine wall mosaic depicting a spring on a mountain originally decorating the walls of the Acheiropoietos basilica and nowadays on display in the Museum. Last but not least, I would like to offer my special thanks to Dora Ivanišević (Central European University) for her collaboration and overall assistance in this project, as well as to the other co-organizers of the 3rd CEMS International Graduate Conference, Budapest 2013, especially Mircea Duluş, for their dedicated work.
